9th January 2019

Dear Parent / Carer,

Year 11 Strategy for Success Evening

I am pleased to take this opportunity to invite you to attend our Year 11 EPRA Evening on Wednesday 16th January 2019 from 6:00 pm – 7:30 pm.

This event is designed to ensure we maximise parental involvement in our pupils learning and achievement. Being positively involved and active in your child’s learning can have a significant influence on your child’s attitudes, values and behaviours and ultimately your child’s educational outcomes.

Research tells us that parents, families and carers have an important influence on a child’s educational performance. When you are positively engaged in your child’s education, they are more likely to attend and perform better at school. This is an excellent opportunity to become actively involved in their exam preparation countdown.

The evening will provide useful study strategies for your child and helpful tips on how to support and prepare them for their final stage of secondary education. There will also be an opportunity to discuss the structure of the option subjects and to log on to the school system with your child to access our interactive maths homework package.

Please complete the reply slip below confirming your attendance and return it to the YR11 Pastoral Leader, Mr J Willis. If you have any queries, please contact Mrs Ruth Hampson, Assistant Headteacher, by email hampson@wyvernacademy.org.

Yours sincerely,

Mrs Mo Wilkinson
Headteacher
