Plans for feedback and submission of work:	<p>Your data will be used to help the Year 10 to complete their fieldwork paper so will be added to their data to make the study more reliable and valid. The final piece of fieldwork will be used when we return to school to ensure that you understand the fieldwork element of paper 3 as preparations for your own fieldwork requirements. Individual feedback will be given in September by your GCSE teacher as WWW/EBI comments although you might get some individual feedback during the process from your current classroom teacher.</p> <p>Good Luck and email your current teacher if you get stuck or need any additional help.</p>
