

Remote Learning –

Preparation work for September 2020

Lesson Instructions for learning at home

Date	01.06.2020															
Subject	Art															
Period	Tuesday P1 Wednesday P1 and P2 Friday P3															
Class	9A and 9B															
Title and objective of the project:	Food- To explore the relationship that we have in art with food. To research how others have responded to the theme throughout art history and explore different ways of working with these influences.															
Instructions and tasks for the completion of the project:	<p>This work aims to prepare you for the start of your next academic year. By completing this work, you will be well prepared for September.</p> <p>Below is an outline of what you will be expected to complete each week.
